The Brookville Laurel Festival Bike Race is scheduled for June 23, 2018 at 9:00 am. The race starts and finishes at the Brookville YMCA. All riders should be off the race course by 10:30 am. The annual Laurel Festival Parade is planned on Main St. in the afternoon. The bicycle race course is a 2.5 mile circuit covering 10 laps. The race ends when the first rider completes 10 laps totaling 25 miles. At that time, a fire whistle will blow notifying all riders still on the course. Riders still on the course should only complete the lap they're on. The race will still time everyone's finish. However, any rider that continues to ride past the timer's station for additional laps will not be timed and will be ineligible to place in their age class. REGISTERED RIDERS will line up in a peloton at the front of the YMCA on Main St. facing west.

**The Brookville YMCA Laurel Festival Bike Race** course starts on Main St. in front of the YMCA. It heads west a half-block to Pickering St. Riders turn LEFT onto Pickering St. and go down the hill and across the Pickering Bridge. They then turn LEFT onto Mabon St. and immediately bear RIGHT up the 1st short hill, and eventually cross the Mabon Bridge. Riders then bear RIGHT at the stop sign and go up the 2nd hill on Second Street. (At the top of the hill is the borough police station on the left and Bill's Bar on the right.) Riders proceed STRAIGHT crossing Sandy Lick Creek where Second St. becomes Belgiumtown Road. (Miller Welding and Machine Co. is on the right). In less than a quarter of a mile, **riders need to be especially cautious** as they will make a very sharp RIGHT in a near complete turnaround onto Tunnel Hill Road. (A road marshal will signal riders of this turn.) Riders continue on Tunnel Hill Road eventually climbing the 3rd hill to the top at South Pickering St. Riders then go through the stop sign turning RIGHT onto South Pickering St. and go down the hill crossing the Pickering Bridge again. They then turn RIGHT onto Madison Avenue (a road marshal will signal this turn). In a half-block, riders bear LEFT and go up the 4th and final hill where Madison becomes Franklin Avenue. At the top of the hill riders then turn LEFT back onto Main St. to complete the lap and start the circuit again.

The Brookville YMCA Laurel Festival Bike Course is a 2.5 mile circuit with plenty of signage along the circuit. The race course is fully supported by authorized traffic patrol at all crucial intersections and other hazardous locations. The race is for amateur riders (non-professionals) and racers must pay an entrance fee to be classified as a REGISTERED RIDER.

This race is intended to be held annually on the fourth Saturday in June during the annual Laurel Festival in Brookville, PA. The race begins at 9:00 AM on Saturday, June 23 at the Brookville YMCA on Main St. in downtown Brookville.
